

My20Q Cookie Policy

10/09/2025

GrilloPad LLC (owners and managers of My20Q) use cookies on My20Q.com. These cookies are essential to the proper operation of our site. By using My20Q, you consent to the use of these cookies. We only use these essential cookies and do not create “tracker” cookies for other sites.

1. What are Cookies?

Cookies are small pieces of text sent by your web browser by a website you visit. A cookie file is stored in your web browser and allows the Service or a third-party to recognize you and make your next visit easier and the Service more useful to you.

My20Q does not read or store any third-party cookies!

How we use Cookies

When you access My20Q, we may place cookie files in your web browser. Our cookies serve the following purposes:

- Allows My20Q to keep “remember” things as you navigate between the different pages inside of My20Q
- For security to help ensure that hackers do not “hijack” your session or try to impersonate you.

Types of Cookies

All cookies used by My20Q are “Essential Cookies” and are used for proper operation of the site.

If you choose the “Remember Me” option when logging into My20Q a persistent cookie is placed on your browser. This cookie is sent to My20Q on your next visit and is used to automatically log you back in without the need to enter your log in credentials.

All other cookies are session cookies and are deleted by your browser as soon as your session ends.

Your Choice Regarding Cookies

If you’d like to delete cookies or instruct your web browser to delete or refuse cookies, please visit the help pages of your web browser. However, please note that if you delete cookies or refuse to accept them, My20Q will most likely fail and present unexpected errors and behavior.

Changes to this Cookie Policy

We may update our Cookie Policy from time to time. We will notify you of any changes by posting the new Cookie Policy on this page. You are advised to review this Cookie Policy periodically for any changes.
